The Harris and Eliza Kempner Fund has a program which provides individual directors and advisors with the opportunity to direct grants that are reflective of his or her own unique charitable interests. This comprises a small amount of the Fund's overall grantmaking budget, and these awards do not necessarily reflect the Fund's areas of focused grantmaking. The Fund, its directors and advisors, neither solicit nor accept applications for these discretionary grants.

The Kempner Fund is pleased to provide links to our grantees to highlight their outstanding accomplishments.
